We support Valley View Downs 100%  
Coming to our area.  
We need the jobs and business, it  
will bring to our area.

People go out of town to gamble.  
This is a small example of all  
the bus trips that leave our area  
every day to gamble. A local transit  
company also makes daily trips  
to Mountain Park in N. VA.

We could be keeping this in  
our area.

One <sup>(gambling place)</sup> in the Poconos is more than enough. We already have heavy traffic congestion in this area and the roads have not been improved to handle the tourists that come to this area now. Gambling will only increase that traffic and to date I haven't seen

any constructive improvements to the State brought about by any kind of gambling. It is bringing an unsavory element to an otherwise beautiful area. We live here because we enjoy nature & the uncluttered way of life. We do not need to increase the population with gamblers.

Dear Gaming Board Officials,

My name is Donald Adams. My family and I have resided at for 17 years. As you know is the proposed site. I am 47 years old and have always lived out in the country and that's the way I like it, however I am in favor of the proposed track + casino. In one way I don't like to see all of the development coming but I feel it will be a great thing for the local economy. I am very confident Centaur Inc. and Carmen Shick will construct and operate a facility that we will all be proud of and many can benefit from. Valley View in Mahoning Township will be a great place!

Sincerely,

Donald H. Adams

The King of Prussia area does not need gambling to prosper. Upper Merion which is the township in which King of Prussia is located, is overcrowded, congested, and trying to retain a disappearing family oriented community. Gambling will bring drugs, crime and prostitution, if past history is any criteria
