INTRODUCTION

Hollywood Casino Morgantown (“HCM”) is pleased to present this Diversity Plan for 2023 - 2024. As an entertainment destination for a diverse community, we are committed to fostering a workplace which champions diversity and inclusion.

HCM opened to the public on December 22, 2021 and currently features:

- 85,900 SF facility
- 727 slot machines
- 30 Table Games
- Sports Book
- Race Book
- Live and electronic entertainment
- Lounge and Bar
- Casual Dining

From its inception, HCM has embraced the integral role of diversity. This Diversity Plan has been developed to outline the key aspects of our commitment to this important objective. The goals underlying this Diversity Plan are to ensure equal opportunity and to promote diversity in a manner reflective of the local community.

While the Plan refers frequently to “MBE” and “WBE” companies, the inclusive diversity philosophy of HCM is intended to be more far reaching than simply the inclusion of minorities and women. Our philosophy is to maximize the concept of inclusiveness in building our employment base and supplier network. This Diversity Plan refers to this broader concept of inclusion by the designation “other diverse groups”.

EXECUTIVE SUMMARY

PURPOSE

This Plan describes HCM's commitment to diversity relative to the construction and operation of the property. The Plan outlines specific procedures aimed at ensuring equal opportunity and diversity in employment, contracting, operations and community relations. The Plan emphasizes our commitment to diversity as it relates to our employees, our vendors, our business partners and our community. In sum, we appreciate and respect diversity in all aspects of our business operations and we look forward to supporting and participating in the local community as we build a regional engine of economic growth.

REPORTING STRUCTURE

HCM established its Diversity Committee in April 2019 to oversee all diversity initiatives for the company. The Committee is responsible for advancing the diversity and inclusion strategy by setting strategic direction and managing all aspects of the strategy. The Vice President and General Manager chairs the Committee, which is comprised of members of senior management.

The Director of Compliance has been designated HCM's diversity officer.

STRATEGY FOR SUCCESS

HCM seeks to achieve its twin goals of ensuring equal opportunity and promoting diversity in a manner that reflects and includes the local community. The four focus areas of this Plan are:

- Construction
 - Build and enhance relationships within the community to raise awareness and identify qualified contractors and suppliers.
 - Include minority and women business enterprises, as well as other diverse groups in planned new construction and expansion projects.
- Procurement/Vendor Purchasing
 - Build and enhance relationships within the community to raise awareness and identify qualified vendors.
 - Ensure that all qualified vendors are given equal access to bid on our business.

- Employment
 - Build and enhance relationships within the community to raise awareness and identify potential candidates for employment.
 - Foster an inclusive work environment that results in both personal and business success.
- Community Involvement
 - Support our community and be a responsible corporate citizen.
 - Encourage participation in community initiatives across the entire organization.

DEFINITIONS

Diversity refers to the variety of backgrounds and characteristics found in society today; thus, it embraces all aspects of human similarities and differences. While HCM supports diversity as an inclusion concept, considerable attention is given to individuals and groups that historically have been adversely affected. For purposes of this Plan, diversity specifically focuses on differences among people with respect to age, sex, culture, race, ethnicity religion, color, disability, national origin, ancestry, sexual orientation and veteran status.

MINORITY

For purposes of MBEs and WBEs, a minority is an individual who is a member of the following ethnic groups: African American, American Indian / Alaskan Native, Asian American, Hispanic or Latino American, Native Hawaiian / Pacific Islander, and females regardless of race or ethnicity.

MINORITY BUSINESS ENTERPRISE (“MBE”) AND WOMAN BUSINESS ENTERPRISE (“WBE”)

Minority and female business enterprises that meet the guidelines set by the Pennsylvania Department of General Services’ Bureau of Diversity, Inclusion, and Small Business Opportunities or other similar organization.

PARTICIPATION PLAN

An obligation imposed by a licensed entity or applicant as part of its contract with a contractor that requires the contractor to perform the contract through the utilization of minority or women owned business enterprises.

CONSTRUCTION

CONSTRUCTION MISSION

Inclusion of minority businesses and other diverse groups on major construction projects in central Pennsylvania is an important issue for the local minority community and for HCM. The proactive approach used to address minority participation during the initial casino build out resulted in both successful inclusion of minority businesses and the successful completion of the project. Future construction projects at HCM will utilize the same proactive approach.

GOOD FAITH PLAN FOR MINORITY CONSTRUCTION PARTICIPATION

Future construction projects will maximize the opportunity for minority participation by utilizing the successful techniques and practices employed during the initial casino build out including, but not limited to:

- Selection of third-party and in-house construction managers, through an interview process, who share HCM's commitment to minority participation.
- Utilization of diversity consultants with knowledge of the central Pennsylvania construction market.
- Close and continuous coordination with property-level and corporate purchasing departments as well as corporate Government Affairs department.
- Use of Commonwealth of Pennsylvania, PA Gaming Control Board and other resources and databases to identify capable minority contractors and suppliers.
- Continuation of specific procedures and processes that require construction managers to demonstrate efforts to identify minority contractors and suppliers before work is awarded.
- Effective upfront requirements on the part of construction managers to provide minority contractors and suppliers as well as reporting procedures to track commitments to, and dollars expended for, such minority contractors and suppliers.
- Increased concentration and coordination with construction managers to identify 2nd and 3rd tier subcontractor and supplier opportunities.
- Diligent tracking to ensure the fulfillment of minority contractor and supplier commitments made by construction managers and 1st tier subcontractors.

- Close coordination with construction managers to improve the on-site labor component of commitments made to minority contractors and suppliers.
- Periodic reporting of our minority commitment and fulfillment results to the HCM Diversity Committee, the PA Gaming Control Board, and other involved parties.

CONSTRUCTION GOAL

Absent a major expansion of the initial build facility, construction projects over the next few years are likely to be smaller in scope and involve varied work plans. As a result, continued success for the inclusion of minority contractors and suppliers in construction projects requires use of the specific steps outlined above, continuation of relationships developed during the initial build out and constant cooperation with property and corporate purchasing departments to expand HCM's network of minority contractors and suppliers.

In 2021, HCM completed its initial build and opened to the public. The initial build resulted in over \$1.33M spent with minority contractors and suppliers as well as employment of dozens of minority construction workers. In 2022, HCM's total construction spend with diverse vendors was \$309,913.52 and with local vendors was \$6.43M (most of the aforementioned figures are settlement of outstanding bills related to the initial build).

PROCUREMENT / VENDOR PURCHASING

PURCHASING MISSION

HCM considers quality, service, dependability and price as the main components of any vendor relationship. HCM pledges to partner, wherever possible, with minority and woman vendors, as well as other diverse groups, to create a mutually beneficial business climate. HCM's goal is to ensure that all qualified vendors are given equal opportunity to bid on products and services utilized at the HCM.

GOOD FAITH PLAN FOR MINORITY VENDOR PARTICIPATION

HCM diverse vendor purchasing initiatives include:

- Utilizing the Pennsylvania Department of General Services' Bureau of Diversity, Inclusion, and Small Business Opportunities business directory and database.
- Participating in Pennsylvania Department of General Services' Bureau of Diversity, Inclusion, and Small Business Opportunities and Women Business Opportunity development events.
- Attending and supporting Pennsylvania regional minority business fairs organized by the National Minority Supplier Diversity Council (Penn is a corporate member), Eastern Minority Supplier Diversity Council, the Greater Reading Chamber Alliance, The Berks County Workforce Development Board, Reading Area Community College, PA Chamber of Black-owned Businesses (PACBOB), PA Diversity Coalition, and Penn State University Berks Campus.
- Periodically reviewing the Pennsylvania Department of General Services' Bureau of Diversity, Inclusion, and Small Business Opportunities list of approved vendors.
- Providing access to the applications and contact information of the Pennsylvania Department of General Services' Bureau of Diversity, Inclusion, and Small Business Opportunities.
- Creating a mentoring environment that helps new vendors understand the daily workings of the property's operations.
- Requesting user departments to review their annual budgets for purchasing opportunities, working with the minority database and reaching out to those minority suppliers provided by the purchasing staff.
- Establishing a reasonable payment plan, agreed upon by both the vendor and the Purchasing Department after review of the financial status of diverse vendors.

- Considering minority and women-owned business enterprises when reviewing Capital Expenditure projects.
- Direct diverse vendors to register online at www.pngamingvendors.com to become visible to both Penn National Gaming corporate procurement and other PNG properties.

VENDOR REQUIREMENTS

Vendors wishing to do business with HCM are required to complete a vendor registration packet before any contract or purchase orders are issued. No business is conducted or counted towards our purchasing procurement dollars unless the vendor packet is on file and complete. Vendors are licensed in accordance with the PA Gaming Control Board's regulations. HCM additionally reserves the right to complete a due diligence background check on any vendor.

PURCHASING OBJECTIVE

HCM's extensive efforts to identify, train and assist MBEs, WBEs, as well as other diverse groups of potential vendors results in a roster of vendors that maximizes diversity and is reasonably reflective of and inclusive of the local community.

MARKETING, PROMOTIONS, AND ENTERTAINMENT

HCM's Marketing Department endeavors to incorporate diversity in all aspects of its operations including working with minority vendors, supporting the property's community outreach efforts, and incorporating diversity in its communications materials and on-property entertainment.
