AS a resident of Straban Township I feel this will be a benefit to our community by providing jobs and hopefully income to help lower property taxes. Having visited casino/shot parlor in west Virginia and Washington I have not seen the problem the opponents of this organization predict will happen here in Straban Township

I think Adams County should be able to have a Casino. Let's keep money in PA, instead of WV, NJ. Also we need a tax break and it would also be very helpful to schools + businesses in area. Steve Matland doesn't speak for Adams County. He plays slots himself in WV. Bring money to Adams County.

Act 72, The casino should be brought to Adams County. It will bring jobs and taxable income for the community. If the legislature is looking to fund education with gambling money they should not prevent gambling from occurring. To keep this business out of Adams County is not in line with free enterprise. Steve Maitland doesn't speak for all Adams County residents. <sup>YES CASINO!</sup> Growth is going to continue whether we want it to or not and it would be foolish to let this opportunity slip through our fingers!

I think the casino will bring more people to Gettysburg. I have owned a business for 18 years in Gettysburg and each year it is less people than last. If we don't do something soon there will be no tourist. We have nothing for them to do in the town once you have seen the battlefield you're finished.

My hope is that out of 100 people coming to the casino at least 40 will shop in. It would be great but

As a minority (black female) born and raised in Adams County there appears to be only one "attraction" being allowed in Adams County and of course that is Gettysburg. And folks wonder why other minorities do not come to Gettysburg to live. No "social life" for Gov. High School what they are told minorities of why they do not want to work in Gettysburg. "There is nothing to do after work" Many, many folks already travel out of town and state to play at the casinos. I do! Good luck Cross roads!

When Someone Says the word Casino, People automatically think of Las Vegas, Atlantic City and a lot of Neon Lights, but what they don't realize is that the Crossroads Gaming Resort will be just that, a Luxuray Resort and spa that just happens to have a big room with slot machines, No Roulette wheel. No Black Jack, and no poker, which translates to no "Hard Core" gambling, just entertainment.

I see no reason not to build a casino at the proposed site. The site is away from our beloved battlefield. The site is by an already commercially built area. The added revenue would also be a welcome, for the tourism has been declining. Having this new attraction may help more visitors to come. This casino will give another option of something to do in this great town. I believe this gaming & resort will also add even more beauty to an area with such high traffic. It can sometimes look very run down. ~~of~~ I look forward to our town moving into the future while preserving our history.

It will lie within a business district occupied by hotels, department stores, movie theaters, car and motorcycle dealership, restaurants & a huge bank operation center, a factory (which all are placed closer to hallowed ground). The location of the Crossroads Gaming Resort & Spa is close to metro areas of Washington DC, Baltimore & surrounding areas easily accessed by the ~~metro~~ at 15+30. We need the jobs

In order to get a good paying job, you have to travel out of the area a half hour or more, that takes precious time away from our families! With the price of gas these last few months, it would be great to only have to travel 10-15 minutes to work instead of an hour! The tax relief to the county will be a great help to low income families who pay taxes! Adams County needs this Casino & spa.

This proposed casino is not near the battlefield. It sits on the North side of US 30 and the East side of US 15. We go to Charlestown slots and that town has seen a lot of growth in business & new communities. Most people attending are senior citizens. It will promote tourism to this town!

I THINK A CASINO WOULD BE GREAT. IT WOULD HELP BRING TOURIST BACK TO TOWN. I TALK TO PEOPLE EVERY DAY ON STEINWAVE, AND THEY ASK "WHAT'S THERE TO DO IN GETTYSBURG BESIDE THE BATTLE FIELD." I TELL THEM ABOUT DOWNTOWN AND TELL THEM ABOUT A CASINO WE WOULD LIKE TO HAVE. THEY ALWAYS ASK ME IF IT'S ~~BEEN~~ UP YET. I TELL THEM NOT YET. I THINK ALSO A CASINO WOULD BRING

It's time for Gettysburg to move on to the future. Let the soldiers rest in peace. Gettysburg has lived off of the dead long enough. I'm sure the toy soldiers will be enjoying the Casino, also. Some may not but it will be something new for them to enjoy while here.

The doors wash both ways. If you don't want to enjoy the Casino, stay home. As a home owner, I would like some tax relief as I am a widow and on a fixed income.

*I think the casinos will benefit Gettysburg. People who want to gamble can gamble and those who do not wish to gamble do not have to come.*

*Hopefully this will lessen the tax burdens for Gettysburg and surrounding townships.*

As a tax payer in Adams County for 4 decades  
I've noticed how many hundreds of new business  
have come and gone, especially in the Borough of Gettysburg.  
High rents and taxes are a few problems we all face  
along with 5.0% of the Borough being tax exempt. We  
need the income + taxes from bigger corporations + gambling.  
Too much of our "free pleasure money" is leaving our state.  
For those around us who support gambling.  
Let's cut our losses & help our growing elder  
population their Senior retirement.

Adams Co. & especially Gettysburg Boro needs the tax revenue & moneys which should be allotted to them to help the property owners who are too over taxed.

- IT IS NOT "NEXT-DOOR" TO THE DAHLE FIELD.
- IT WOULD STIMULATE THE ECONOMY, GENERATE REVENUE, CREATE JOBS.
- IT HAS NOT BEEN PROVEN TO INCREASE CRIME OVER ANY OTHER SIMILAR TYPE FACILITY.
- IF YOU DO <sup>NOT</sup> WISH TO "GAMBLE" — THEN DON'T. PLAIN AND SIMPLE. ENJOY THE RESTAURANTS AND OTHER ATTRACTIONS.
- THERE ARE MORE PROS THAN CONS AND MANY OF THOSE "CONS" ARE UNKNOWN OR ASSUMED OR STATISTICALLY PROJECTED.
- I HAVE BEEN TO GETTYSBURG — MANY TIMES — THERE IS NO REAL NEW REASON FOR ME OR OTHERS LIKE ME TO GO THERE — BUT, OFFERING SOMETHING LIKE THIS — I WOULD GO AND SO WOULD OTHERS.
- I AM PRO-CASINO PRO-CASINO, PRO-GROWTH AND DEVELOPMENT FOR ADAMS COUNTY.

There was an article in the Gettysburg Times Reasonably, about gambling. The fire companies clubs have Bingo, Vegas night. We have the PA Lottery, some people believe the lottery isn't gambling, because it's the elderly, well so will the Casino in Gettysburg, Pa. What about the chances we take on foot ball, Baseball pools at work, etc. We have horse racing at Penn National. What's wrong with a Casino in Gettysburg? Are they afraid the almighty righteous will be seen there? You don't need to go there its your choice. You know we gamble everyday when we go out the door to work or what ever with life. As for hollow ground, why is a new Ford Co built just outside Gettysburg?

This project does not distort the Civil War heroes and is zone commercial. The neighbors there include new cinema - Hotel car dealership, helicopter business, Wal-Mart, fast food + Grocery stores. No part of the structures will be visible from any part of the Gettysburg Battlefield. This location is excellent for the Baltimore, Washington, Frederick MD + North Virginia markets. This will be great for more tax dollars to pay for infrastructure, improvement + help boost the economy which Gettysburg and surrounding area needs. Millenniums Gaming + Morgan Stanley are responsible gaming operator who supports our community commitment for Crossroads Gaming + Resort + Spa. Please let the "Yes Casino" be in Gettysburg PA.

I feel the proposed Resort, Spa Casino & hotel will be a great asset for the people of Adams county. It will provide more good paying jobs for the average worker in Adams county who work for a low to modest wage. The resort should also help with the tax base in Straban township. Furthermore, I believe this resort will bring even more tourists to Gettysburg spending money at more local businesses. Who wouldn't be in favor of this
