THE REVOLUTION IS HERE...

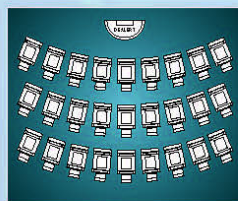

Live Dealer Technology

- Real cards, real-time, live out of the shoe
- Unlimited number of player terminals
- Players choice of multiple hands
- Live dealer video is streamed to player terminals

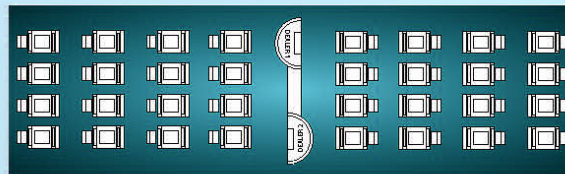

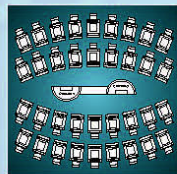

Revolutionary Game Features

- Increased game speed equals increased revenue
- True Player ratings instead of estimates
- Handheld/mobile computer capabilities
- Tremendous marketing opportunities with extraordinary exposure capitalizing on Shaq's brand
- iGaming options

Unlimited Configuration Potential

No longer do games have to be configured around the dealer area. With the Live Dealer technology, you can design the configuration that best fits your available space.

It's time to **Revolutionize** Your Casino Floor.
