Don't Gamble With Gettysburg!

I am most concerned
about having a casino
in a college town. There
will be too much
temptation to go have
fun at the casino...
losing mom + dad's
money. It's just a bad
idea to bring it to
a town that has a
college.

SAVE GETTYSBURG!

Gambling is unethical & immoral. It will take income from local merchants w/ tourists gambling rather than spending their money at local establishments. Gambling is addictive, local people will squander money that was budgeted for food, rent/mortgages, needs for their families. I also feel it is a disgrace to build a house of gambling on hallowed ground where soldiers gave their lives. If such immorality is portered into our community, it will be the beginning of the end of the Gettysburg that we all know & love. PLEASE don't let this happen to our town - DON'T GAMBLE WITH GETTYSBURG.

Please help us to preserve the heritage of Gettysburg - NO CASINO!!

Thank You!

GETTYSBURG

Little Round Top is the smaller of two rocky hills south of Gettysburg, Pennsylvania. It was the site of an unsuccessful assault by Confederate troops against the Union's left flank on July 2, 1863, the second day of the Battle of Gettysburg. When Union General Meade discovered there was going to be a Confederate advance on Little Round Top, he dispatched his chief engineer, Brigadier General Gouverneur K. Warren, to attempt to deal with the situation. Climbing Little Round Top, Warren found only a small Signal Corps stationed there. Warren encouraged the signal men to remain at their post and keep waving flags while an aide galloped off to find any Union troops he could locate to get them to the hill. The Union prevailed.

Dear Mr. Fajt:

I urge you to protect Gettysburg National Military Park by denying the Mason-Dixon casino application.

A casino would conflict with and detract from Gettysburg's unique history and meaning, the town's family-friendly atmosphere, and the area's proven economic engine—heritage tourism.

Please help ensure that this national treasure is protected for our children and grandchildren.
