Message:

This ludicrous action would blatantly insult the men that died on one of America's most hallowed battlefields. The Casino developers are merely taking advantage of an already attractive tourist destination and justifying it with job creation during tough economic times. Build your casino elsewhere! Take it to the middle of nowhere where Americans haven't died in the horrid summer days of 1863 where over 8,000 men died for their cause in a bloody yet significant battle.

Take it somewhere else away from the land that President Lincoln proclaimed as hallowed in his epic Gettysburg Address. Take your jobs elsewhere far away from one of the most well preserved historical places in our nation. And to the developers I ask, whats next? If you propose this would you also propose a strip club in Independence Hall? Or what about a casino on ground zero where a where less than half of those killed in Gettysburg passed away in a horrible terrorist attack? Whats next? Making Rushmore a parking lot? A bridge over the Grand Canyon? Or perhaps having Lady Liberty get a new cloak of sponsorship labels and billboards at the base?

No Casino at Gettysburg!

To the Pennsylvania Gaming Control Board:

Whereas, Gettysburg National Military Park is a shrine to those who fought and fell during that historic, three-day battle in July 1863 -- arguably the most important battle in American history;

Whereas, heritage tourism contributes significantly to the economic well-being of the Gettysburg community;

Whereas, a gambling casino 1/2 mile from the battlefield would alter the nature of the community, and adversely impact the experience of visitors who travel to Gettysburg to learn more about this singular time in our nation's history, and its meaning;

We, the undersigned, strongly oppose any license to build a casino in or near Gettysburg, the site of this sacred Civil War battlefield.

Please vote "NO!" to the desecration of the hallowed ground where so many American soldiers valiantly fought and courageously died in a war that transformed our nation.

Please vote "No!" in support of protecting Gettysburg's vibrant heritage tourism industry.

Please vote "No!" to the destruction of a national treasure enjoyed by thousands of Adams County residents and by more than one million annual visitors.

Whereas, Gettysburg National Military Park is a shrine to those who fought and fell during that historic, three-day battle in July 1863 -- arguably the most important battle in American history;

Whereas, heritage tourism contributes significantly to the economic well-being of the Gettysburg community;

Whereas, a gambling casino 1/2 mile from the battlefield would alter the nature of the community, and adversely impact the experience of visitors who travel to Gettysburg to learn more about this singular time in our nation's history, and its meaning;

We, the undersigned, strongly oppose any license to build a casino in or near Gettysburg, the site of this sacred Civil War battlefield.

Please vote "NO!" to the desecration of the hallowed ground where so many American soldiers valiantly fought and courageously died in a war that transformed our nation.

Please vote "No!" in support of protecting Gettysburg's vibrant heritage tourism industry.

Please vote "No!" to the destruction of a national treasure enjoyed by thousands of Adams County residents and by more than one million annual visitors.

No Casino at Gettysburg!

To the Pennsylvania Gaming Control Board:

Whereas, Gettysburg National Military Park is a shrine to those who fought and fell during that historic, three-day battle in July 1863 -- arguably the most important battle in American history;

Whereas, a gambling casino 1/2 mile from the battlefield would alter the nature of the community, and adversely impact the experience of visitors who travel to Gettysburg to learn more about this singular time in our nation's history, and its meaning;

We, the undersigned, strongly oppose any license to build a casino in or near Gettysburg, the site of this sacred Civil War battlefield.

Please vote "NO!" to the desecration of the hallowed ground where so many American soldiers valiantly fought and courageously died in a war that transformed our nation.

Please vote "No!" in support of protecting Gettysburg's vibrant heritage tourism industry.

Please vote "No!" to the destruction of a national treasure enjoyed by thousands of Adams County residents and by more than one million annual visitors.

No Casino at Gettysburg!

To the Pennsylvania Gaming Control Board:

Whereas, Gettysburg National Military Park is a shrine to those who fought and fell during that historic, three-day battle in July 1863 -- arguably the most important battle in American history;

Whereas, heritage tourism contributes significantly to the economic well-being of the Gettysburg community;

Whereas, a gambling casino 1/2 mile from the battlefield would alter the nature of the community, and adversely impact the experience of visitors who travel to Gettysburg to learn more about this singular time in our nation's history, and its meaning;

We, the undersigned, strongly oppose any license to build a casino in or near Gettysburg, the site of this sacred Civil War battlefield.

Please vote "NO!" to the desecration of the hallowed ground where so many American soldiers valiantly fought and courageously died in a war that transformed our nation.

Please vote "No!" in support of protecting Gettysburg's vibrant heritage tourism industry.

Please vote "No!" to the destruction of a national treasure enjoyed by thousands of Adams County residents and by more than one million annual visitors.

May God Bless & Guide You,

I understand that you need revenue, well all do and we are all headed for very, very hard times ahead. But, this idea is not logical from a historical nor business viewpoint. You would be only adding to the downfall spiral of this Great Country.

Did it ever occur to you the type of people that travel to your sacred area are not gambling/casino patrons? They are history buffs, war vets, families, schools, church groups, etc. etc. I know hundreds of people that take an interest in history and Gettysburg, and I can honestly say NOT ONE PERSON would stop by a casino while in the area. If anything it would keep them away. The Gettysburg enthusiasts work hard for their money, not gamble it away. They take pride in their Country, past and present soldiers; not dishonor them by building such an establishment. It would be like putting up an amusement park walking distance from Arlington National Cemetery. There is simply no logic.

If the fact that you are desecrating your ancestor's resting place/battleground is not enough to stop you from doing this---

This is an unthinkable act- how could one even think of such a heartless and selfish act for the "chance" at possible revenue?? Folks come from all over the world to witness the history, sanctity, and unspeakable honor of this untainted sacred ground. I had the personal chance to visit in 2002 and out of all the places I have visited in my 32 years, Gettysburg left the most dramatic impact in my mind in every aspect.

To Whom It May Concern,

August 11th, 2010

Re: Petitions

Please find enclosed 197 completed petitions for the No Casino Gettysburg campaign.

These were obtained the last two weekends of May at our opening Renaissance Festival season. Sadly it poured rain most all of Memorial Day, but the rest of the time was pleasant to almost too hot for the dogs, let alone us!

Our next Renaissance event starts the weekend of July 10-11 and goes for a total of five weekends. I'll be taking photos of our booth and the various posters I've put together, along with one very special one which will point the way to patrons in finding our booth location.

Please let me know via e-mail... JJSADOPFI@sbcglobal.net how much time I have to get as many petitions to you as possible. I have been on "the Network" site, which is the one I picked to be on, but have not found a "due date." Please let me know.

Thank you !!!

No Casino at Gettysburg!

To the Pennsylvania Gaming Control Board:

Whereas, Gettysburg National Military Park is a shrine to those who fought and fell during that historic, three-day battle in July 1863 -- arguably the most important battle in American history;

Whereas, heritage tourism contributes significantly to the economic well-being of the Gettysburg community;

Whereas, a gambling casino 1/2 mile from the battlefield would alter the nature of the community, and adversely impact the experience of visitors who travel to Gettysburg to learn more about this singular time in our nation's history, and its meaning;

We, the undersigned, strongly oppose any license to build a casino in or near Gettysburg, the site of this sacred Civil War battlefield.

Please vote "NO!" to the desecration of the hallowed ground where so many American soldiers valiantly fought and courageously died in a war that transformed our nation.

Please vote "No!" in support of protecting Gettysburg's vibrant heritage tourism industry.

Please vote "No!" to the destruction of a national treasure enjoyed by thousands of Adams County residents and by more than one million annual visitors.

To build a Casino so close to an American treasure such as Gettysburg is wrong. To try and gain profit and income off of the heroic actions our Union forces displayed is quit frankly 'despicable! Shame on you Pennsylvania, and all those involved for Even trying to build this casino near the Battle site that won the Civil War for the Union and led to slaves being freed. A concerned citizen,

When we learned of the proposed casino in Gettysburg as we visited in May 2010, we were shocked. What a disgusting desecration this would put in our nation's national Treasure. I would put in our nation's forward for the honor of the land, of our nation's history & for future generations, stop the casino development.
