

No Casino at Gettysburg!

100

To the Pennsylvania Gaming Control Board:

Whereas, Gettysburg National Military Park is a shrine to those who fought and fell during that historic, three-day battle in July 1863 -- arguably the most important battle in American history;

Whereas, heritage tourism contributes significantly to the economic well-being of the Gettysburg community;

Whereas, a gambling casino ½ mile from the battlefield would alter the nature of the community, and adversely impact the experience of visitors who travel to Gettysburg to learn more about this singular time in our nation's history, and its meaning;

We, the undersigned, strongly oppose any license to build a casino in or near Gettysburg, the site of this sacred Civil War battlefield.

Please vote "NO!" to the desecration of the hallowed ground where so many American soldiers valiantly fought and courageously died in a war that transformed our nation.

Please vote "No!" in support of protecting Gettysburg's vibrant heritage tourism industry.

Please vote "No!" to the destruction of a national treasure enjoyed by thousands of Adams County residents and by more than one million annual visitors.

Respectfully submitted by:

No Casino at Gettysburg!

1001

3 Pennsylvania Gaming Control Board:

Whereas, Gettysburg National Military Park is a shrine to those who fought and fell during that historic, three-day battle in July 1863 -- arguably the most important battle in American history;

Whereas, heritage tourism contributes significantly to the economic well-being of the Gettysburg community;

Whereas, a gambling casino 1/2 mile from the battlefield would alter the nature of the community, and adversely impact the experience of visitors who travel to Gettysburg to learn more about this singular time in our nation's history, and its meaning;

We, the undersigned, strongly oppose any license to build a casino in or near Gettysburg, the site of this sacred Civil War battlefield.

Please vote "NO!" to the desecration of the hallowed ground where so many American soldiers valiantly fought and courageously died in a war that transformed our nation.

Please vote "No!" in support of protecting Gettysburg's vibrant heritage tourism industry.

Please vote "No!" to the destruction of a national treasure enjoyed by thousands of Adams County residents and by more than one million annual visitors.

No Casino at Gettysburg!

To the Pennsylvania Gaming Control Board:

Whereas, Gettysburg National Military Park is a shrine to those who fought and fell during that historic, three-day battle in July 1863 -- arguably the most important battle in American history;

Whereas, heritage tourism contributes significantly to the economic well-being of the Gettysburg community;

Whereas, a gambling casino ½ mile from the battlefield would alter the nature of the community, and adversely impact the experience of visitors who travel to Gettysburg to learn more about this singular time in our nation's history, and its meaning;

We, the undersigned, strongly oppose any license to build a casino in or near Gettysburg, the site of this sacred Civil War battlefield.

Please vote "NO!" to the desecration of the hallowed ground where so many American soldiers valiantly fought and courageously died in a war that transformed our nation.

Please vote "No!" in support of protecting Gettysburg's vibrant heritage tourism industry.

Please vote "No!" to the destruction of a national treasure enjoyed by thousands of Adams County residents and by more than one million annual visitors.

Respectfully submitted by:
