Dear Mr. Resch:

On behalf of International Game Technology ("IGT") and its subsidiaries, we would like to thank the Pennsylvania Gaming Control Board ("Board") for the opportunity to comment on the proposed regulations. IGT commends the Board on the proposed change to Section 461a.7(d) of the regulations, which removes the volatility requirement, and fully supports the Board in its efforts to broaden and better define the gaming market.

Please contact me at 775-448-1744 or Keith.Larkin@igt.com, with any questions or if any further information is needed.

Sincerely,
