Re: IGT Comments on Pennsylvania Gaming Control Board Regulation #125-95

Dear Mr. Sandusky:

On behalf of International Game Technology ("IGT") and its subsidiaries, we would like to thank the Pennsylvania Gaming Control Board (the "Board") for the opportunity to comment on the proposed rules regarding recordkeeping published in the November 29, 2008 *Pennsylvania Bulletin*. IGT commends the Board on this proposed amendment and fully supports the Board in its efforts to provide a process for out of state companies to request approval for alternative locations to store its records.

Thank you for your consideration in this matter. Should you have any questions, please feel free to contact me at (775) 448-1744.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Larkin", is written over a faint, larger version of the signature.
